PORTABLE EVAPORATORS AND TEMPORARY SURGE TANKS FOR THE SOLAR EVAPORATION
PONDS - JMK-0281-91

Enclosed is a draft letter to the Colorado Department of Health (CDH) which provides information that would be required for an "interim measure" for use of the surge tanks and portable evaporators for the Solar Evaporation Ponds. In accordance with a CDH letter dated June 24, 1991, submittal of this information is necessary for removing the liquids and sludges remaining in the ponds in accordance with the Agreement in Principle and the Interagency Agreement.

If you have any questions or require additional information, please contact Allen Schubert at extension 5251 or Kirk Ticknor at extension 6344.
